

The New U. S. Grainless Rubber Solid Truck Tire Is Here

MOTOR truck owners and operators who are interested in the efficient and economical operation of their trucks will be glad to know that we are now ready to supply them with the new U. S. Grainless Rubber Solid Truck Tire.

This tire overcomes the two great causes of solid tire waste—splitting and base separation.

Splitting—by removing the grain which allowed splits to develop in the old type of solid.

Base separation—by affecting

a chemical union between the steel and the rubber. A positive permanent advance in solid tire manufacture.

As representatives of U. S. Tires in this city, we are in constant touch with the latest developments in tire progress.

Bring your truck tire problems to us.

When a motor truck comes to our Service Station, it goes away with the kind of tire that was built for it—that will give its owner the best and most economical tire service possible—or we want to know the reason why.

In purchasing a new truck consult us about the type of tires to specify.

TO FIGHT PHONE RATE HIKE

Industrial Council Meeting Also Expresses Anti-Open Shop Sentiment.

Sentiment against the open shop in Topeka was freely expressed at the meeting of the Topeka Industrial Council Wednesday night, although no official action was taken. It was intimated, however, that union labor might withdraw its patronage from banks and stores assisting or practicing the open shop plan.

An appeal to the industrial court to prevent the hike in telephone rates asked by the Southwestern Bell Telephone company was also suggested. In event this hike is granted, union men may be forced to forego the luxury of telephones, it was intimated.

TO MEET HERE AGAIN IN 1921.

Epworth League Delegates Enthusiastic Over Meeting Just Closed.

Topeka will be the 1921 meeting place of the district convention of the Epworth League. It was decided at the closing session of the annual convention of the organization Wednesday afternoon at the Lowman Memorial Methodist church. Next year a three-day meeting will be held, instead of a two-day session.

Epworth League workers of the district will conduct a two-day campaign for funds to assist in increasing the pension fund for retired Methodist ministers. The convention made a pledge to pay a \$150 scholarship to the National Training school at Kansas City.

Attendance at this year's convention was tripled in comparison with the attendance of other years.

PLAY BELOIT LEAGUERS HERE.

Ex-Professionals Sign Contract for Game With Santa Fe July 18.

The management of the Beloit Leaguers' baseball club has signed the contract to play the Topeka Santa Fe club at Western league park July 18, Manager Cap Wells announced today.

This club, which has just closed a successful tour of Colorado, is considered one of the strongest teams in Kansas. It is made up almost entirely of former big league players who have retired from major baseball. They will play in Kansas City July 24, 25 and 26 and here July 18.

It is thought probable the Leaguers will pitch Blodgett against the local club. Blodgett is a southpaw who formerly played with Omaha in the Western league and was afterward sold to the New York Americans.

Next Sunday the locals will play Holton and July 4 and 5 will play the fast Albuquerque club.

HELPED AT ELEVENTH HOUR.

Rains and Cool Weather Gave Wheat Chance to Fill Out.

Manhattan, Kan., June 24.—Recent rains in the western part of Kansas have increased the prospective yield of wheat several million bushels, L. E. Call, agronomist of the agricultural experiment station, said upon his return from Hays today.

"The rains in western Kansas came at just the time when they were most needed," Professor Call said. "Getting from one-half to two and a half inches in the northern part of the wheat belt prevented wheat from ripening too early, and in the sections where scarcely any rain fell the cool weather of the last few days has served a similar purpose, allowing the berry to fill out."

RECEIVER FOR OIL COMPANY.

Judge Pollock Names Homer H. Berger in H. & H. Refining Co.

Homer H. Berger of Kansas City was appointed Tuesday by Judge J. C. Pollock of the United States district court as receiver for the H. & H. Refining company of Oswatimie. The petition for receivership was filed in Kansas City by E. M. Koenig of Milwaukee, a creditor of the company to the extent of \$5,191. He claims the company's outstanding debts, which it is unable to pay, amount to \$144,722.

TO RATIFY G. O. P. NOMINEES.

Shawnee Club Will Hold Big Celebration Here July 14.

A big meeting and celebration to ratify the Republican presidential nominees will be held on the state house steps July 14 by the Shawnee County Republican club, Sen. W. F. Schoch, chairman, announced Wednesday. Senators Arthur Capper and Charles Curtis will speak, it was said.

ARTHUR LEBEAU, of Winoski, Vermont, who declares he is now in the "pink of condition" and enjoying life for the first time in many years as the result of taking Tanlac.

"Thanks to Tanlac I am now enjoying life for the first time in years," recently declared Arthur Lebeau, foreman of the Porter Screen Co., Winoski, Vermont. "For five years I was a sick man. My principal trouble was indigestion. I had no appetite and generally went off to work without any breakfast because I knew if I ate anything it would only upset me."

"My condition was so bad in fact, I could neither sleep, eat nor work with any satisfaction and was so nervous that the least thing would upset me. Nothing seemed to agree with me and I would have severe cramping pains in my stomach and at times my heart would palpitate badly. I also suffered from shortness of breath, and the least little exertion would make my heart thump like an engine."

"At last I almost decided I would give up my job as I got so weak and miserable I felt I could stand it no longer."

"One night as I sat reading a paper I saw a statement about Tanlac which convinced me it was just the medicine I needed. It helped me from the very first dose and at the time I had finished my third bottle, I hardly knew myself."

"I never have the slightest symptom of indigestion now and I feel like a brand new man in every way. My appetite is splendid, my nerves are steady and I sleep soundly at night. The work I used to dread now seems easy for me and I am now in the very 'pink of condition.' Of course, I am only too glad to recommend this medicine."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 825 Kansas avenue, and 729 Kansas avenue—Adv.

BIG ULCER ALL HEALED

"Now I Can Walk," Says Mrs. Southcott of Medina.

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars."

"Money isn't everything in this world. There is many a big hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all drug stores for 50 cents a large box."

Read this letter, written February 14, 1919, by Mrs. Albert Southcott, of Medina, N. Y. It seems like a miracle, but it is true, every word of it.

I know it because I got similar letters almost every day from people who have used my ointment for old sores, eczema and piles.

Is it any wonder I am happy? Peterson Ointment Co., Inc., Buffalo, N. Y.

"I was an untold sufferer from an old running sore and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars worth of the salve I am cured. The ulcer was 9 inches by 6 1/2 inches, is all healed and I can walk. Never, never will I be without Peterson's again."

"You may use this to recommend your ointment if you wish. I cannot say enough to praise it." Your truly, Mrs. Albert Southcott, Medina, N. Y.
